WORKPLACE HEALTH & SAFETY POLICY

Our commitment

To provide all our staff and contractors, a workplace that is free from harm and supported by a culture that ensures that safety is an absolute priority.

Our beliefs

- Safety is a core value of D.P.J. Coating Systems Pty Ltd.
- Safety is everyone's responsibility.
- We rigorously identify and control risks to ALARP standard (as low as reasonably practicable)
- Working safely is a condition of service for everyone.
- Everyone's involvement in health and safety is essential
- Safety training and preparedness is critical.
- The development, implementation and continual improvement of safety systems, technology and work practices are essential.
- Establishment of early and effective rehabilitation is paramount.
- Management recognizes that hazards exist within the workplace and will take every reasonable step to provide and maintain a safe and healthy work environment for all employees.

Our objectives

- To introduce and follow safe systems of work and to ensure the health and safety of every employee and the general public affected by our business activities.
- To provide and monitor arrangements for the safe use, handling, storage and transportation of hazardous materials.
- To provide adequate facilities to ensure the health and safety of all employees.
- To provide information, training and supervision for all staff and contractors enabling them to work in a safe and healthy manner.

We monitor & verify our performance through

- Regular safety reviews conducted by management and supervisory personnel.
- Encouraging open and honest input from all employees concerning theirs and others safety.
